*Order Adopted.*

On motion of Mr. Tarr,--

*Ordered,* That when the Senate adjourns today, it adjourn to meet again on Thursday next at eleven o’clock A.M., in a full formal session.

*Adjourn In Memory of Dr. Arthur S. Obermayer*

The Senator from Middlesex and Norfolk, Ms. Creem, moved that when the Senate adjourns today, it adjourn in memory of Newton resident Dr. Arthur S. Obermayer who died of cancer at the age of 84 on January 11, 2016.

A well-known and highly respected local entrepreneur and philanthropist, Dr. Obermayer dedicated much of his life to improving relationships between Jews and Germans and to helping Germans gain a better understanding of how best to cope with their past.

Dr. Obermayer moved to Massachusetts from Philadelphia in 1952 to attend graduate school at Massachusetts Institute of Technology. He later founded Moleculon Research Company, among other successful chemical and biotechnological businesses.

Arthur Obermayer was committed to professional public service, serving on numerous government boards including the governor’s Management Task Force, and National Science Foundation Advisory Panels. He was a delegate to White House conferences on small business and, with his wife, was inducted into the White House’s Small Business Innovation Research Hall of Fame.

Dr. Obermayer had roots in Creglingen, a small town in southern Germany. While tracing his own genealogy he developed strong ties and meaningful contacts with local individuals and historians, ultimately co-founding a museum of Jewish history there.

In 2000, he co-founded the Obermayer German-Jewish History Awards annually recognizing Non-Jewish Germans who have made outstanding voluntary contributions, often struggling against bureaucratic or societal impediments to document their town's Jewish past.

In 2007, Dr. Obermayer received Germany's highest honor, the Cross of the Order of Merit, for his work supporting activities in Germany to build bridges between the post war German population and Jewish communities worldwide as well as to encourage the preservation of the history and cultural contributions of the Jews of Germany.

A longtime activist in political, social justice, and Jewish genealogical causes, Dr. Obermayer was a co-founder of Meretz Usa, now partners for Progressive Israel. And, through their Obermayer Foundation, Dr. Obermayer and his wife supported activities both in the US and in the Middle East to encourage a peaceful resolution of the Arab-Israeli conflict.

Dr. Arthur Obermayer will be deeply missed by his wife, Judith, his three children, Hank, Joel, and Marjorie, his five grandchildren and many friends throughout the world.

Accordingly, as a mark of respect in memory of Dr. Arthur S. Obermayer, at twenty-nine minutes before one o'clock P.M., on motion of Mr. Tarr, the Senate adjourned to meet again on Thursday next at eleven o'clock A.M.
