Thank you Mr. President, I want to take this opportunity to thank you for your leadership on this issue and also thank my sister from Boston for her leadership on this issue and thank all of my colleagues who have spoken to movingly over the past hour about the reasons for supporting this bill. I urge my colleagues to vote no on this amendment for the simple reason that it is unnecessary. The amendment states "Nothing in this legislation shall be construed to compel sex-segregated bathroom facilities to be converted to unisex bathroom facilities." I represent to the body that nothing in this legislation could be so construed and that multiple attorneys have reviewed this legislation and agree and that nothing in this legislation could be so construed. With regard to sex segregated facilities, the bill simply indicated that where a public accommodation lawfully segregates access to facilities on the basis of a person's sex that public accommodation must grant them permission admission, a person admitted to the facilities consistent with that persons gender identity.

So to be crystal clear Mr. President, it is not the intention of the sponsors of this bill in any way, shape or form to compel the conversion of sex segregated bathrooms into unisex bathroom facilities. Mr. President I ask that my remarks be spread upon the record so as to create a legislative history and clarity on this point.

On motion of Mr. Brownsberger, the above remarks were ordered printed in the Journal of the Senate.
