Any WH-STA plan adopted by more than 1 city or town shall designate WH-STA zones consisting of contiguous areas of such cities or towns;
- (2) describe in detail all construction and construction-related activity contemplated for such WH-STA zone as of the date of adoption of the WH-STA plan; provided that the WH-STA plan shall include the types of residential developments which are projected to occur within such WH-STA zone, with documentary evidence of the level of commitment therefor, including but not limited to architectural plans and specifications as required by regulations promulgated pursuant to subsection (c);
- (3) authorize special tax assessment exemptions from property taxes, under subsection Fifty-eighth of section 5 of chapter 59, for

a specified term not to exceed 5 years, for any parcel of real property which is located in a WH-STA zone and for which an agreement has been executed with the owner of the real property under paragraph 4. The WH-STA plan may exempt owners of parcels of real estate from up to 100 per cent of property taxes during 2 years of construction and set forth in an agreement executed pursuant to paragraph 4. The WH-STA plan may also exempt such owners from property taxes during a 3 year stabilization period following construction, provided that the exemption will be up to 75 per cent of property taxes during a first year of stabilization, up to 50 per cent of property taxes during a second year of stabilization, and up to 25 per cent of property taxes during a third year of stabilization;

(4) include executed agreements between such city or town and each owner of a parcel of real property which is located in such WH-STA zone, provided that such agreements shall include, but not be limited to, the following:

(ii) any terms deemed appropriate by the city or town relative to compliance with the WH-STA agreement including, but not limited to, what shall constitute a default by the property owner and what remedies shall be allowed between the parties for any such defaults, including an early termination of the agreement;

(iv) a detailed recitation of all other benefits and responsibilities inuring to and assumed by the parties to such agreement; and

(v) a provision that such agreement shall be binding upon subsequent owners of such parcel of real property.

(5) delegate the authority to execute agreements in accordance with paragraph 4 to the board of assessors of the city or town, and to the board, agency or officer of the city or town responsible for housing.

(b) A city or town may at any time revoke its designation of a WH-STA zone and, as a consequence of such revocation, shall immediately cease the execution of any additional agreements pursuant to paragraph 4 of subsection (a). The board of assessors of the city or town and the board, agency or officer of the city or town responsible for housing, authorized pursuant to paragraph 5 of subsection (a) to execute agreements, shall retain a copy of each such agreement, together with a list of the parcels included therein.

(c) Upon the adoption of a WH-STA plan, a city or town shall promulgate regulations governing the implementation of such plans in the city or town. Such regulations shall establish eligibility requirements for developers to enter into a WH-STA agreement pursuant to subsection (a)(4). Such regulations shall establish, among other things: (1) a procedure for developers to apply to the city or town for a WH-STA agreement; (2) a minimum number of new residential units to be constructed in order for an owner of a parcel of real estate to be eligible to enter into a WH-STA agreement; (3) the maximum rental prices that may be charged by the developer for the constructed residential units throughout the duration of a WH-STA agreement; (4) other eligibility criteria that will facilitate and encourage the construction of workforce housing in a manner appropriate to the particular city or town.

Such certification shall be provided to the city or town on the date of initial occupancy and on an annual basis thereafter throughout the duration of the executed WH-STA agreement. Any such lien shall be recorded in the registry of deeds or the registry district of the land court wherein the land lies;
