Time of meeting.

Adjournment in Memory of Dr. Barbara Rockett.

The Senator from Middlesex and Norfolk, Ms. Creem, moved that when the Senate adjourns today, it adjourn in memory of Dr. Barbara Rockett of Brookline and Newton, who passed away at age 89 on April 13, 2021.

Born on March 10, 1932, as the only child to John Payne and Julie Cluff, Barbara grew up in Newton and graduated from Mount Alvernia Academy, Wellesley College and Tufts University School of Medicine. She was the first female surgical resident at Boston City Hospital, where she met her future husband Francis X. Rockett, M.D. Theirs was a special marriage, and Barbara operated alongside her husband for 50 years.

In conjunction with her busy surgical practice, Barbara participated in organized medicine at the local, state and national levels and dedicated herself to physicians and patients. She was an active member of the Massachusetts Medical Society for over 40 years and its first female president. In that role, which she held for an unprecedented two terms, she led the effort to reform medical malpractice legislation and chaired, among other committees, the legislation and judicial committees. She also worked for many years as school physician at a dozen colleges, high school and other entities, including Emmanuel College, Simmons College and Mount Alvernia Academy. At Tufts University, her alma mater, she served as an Alumni Trustee Emerita and a faculty advisor.

Dr. Rockett's awards were numerous. At the Norfolk District Medical Society, she was the recipient of the Norfolk District Lifetime Achievement Award, Presidential Citation for Outstanding Leadership, Distinguished Service Award, the Lifetime Achievement Award and the Norfolk District Medical Society's Clinician of the Year Award. Outside of the Medical Society, she was awarded, among others, the AMA Young Physicians' "Young at Heart" Award, United Nations-USA Distinguished Service Award, St. Francis Medal of Peace & Achievement, and Tufts University Distinguished Service Award. She was particularly pleased that the Massachusetts Medical Society named the Barbara A. Rockett, M.D. Early Career Physician Leadership Award in her honor.

In addition to medicine, Dr. Rockett enjoyed cheering on her beloved Boston sports teams, traveling, wearing bright, beautiful colors and flowers, and especially spending time with her husband, children and grandchildren. She was a champion equestrian and loved ice cream, Pepsi, chocolate and anything "raspberry".

Dr. Barbara Rockett is survived by her husband Francis X. Rockett, M.D., to whom she was married for 63 years; Francis X., Jr. and his wife Marianne of Hingham; Peter S.

UNCORRECTED PROOF.

and his wife Amy of Needham; William E. and his wife Maureen Bernsee of Sherborn; Sean E. and his wife Ronda of Wellesley; Julie Rockett-Paulick and her husband Patrick Paulick of Charlestown; as well as 15 grandchildren.

Dr. Rockett was the consummate patient's advocate and worked tirelessly for her family, her patients and her community. She was a role model and mentor for women at a time when few women were physicians. She will be missed by the medical community, the communities of Brookline and Newton and by all those who knew her and all those now just learning about her impressive history.

Accordingly, as a mark of respect to the memory of Dr. Barbara Rockett, at twenty-one minutes before four o'clock P.M., on motion of Mr. Tarr, the Senate adjourned to meet again on Monday next at eleven o'clock A.M.
