By inserting after section 37 the following section:—

“SECTION 37A. Chapter 111 of the General Laws is hereby amended by striking out section 27D, as so appearing, and inserting in place thereof the following section:—

Section 27D. (a) As used in this section the following words and phrases shall have the following meanings, unless the context clearly requires otherwise:

‘Board of health’ any body politic or political subdivision of the commonwealth that acts as a board of health, public health commission or a health department for a municipality, region or district, including, but not limited to, municipal boards of health, regional health districts established under section 27B and boards of health that share services pursuant to section 4A of chapter 40.

‘Foundational public health services’, a nationally recognized framework for a minimum set of public health services, including public health programs and foundational capabilities, as defined by the department for the purposes of this section.

‘Foundational capabilities’, cross-cutting skills and capacities needed to support basic public health protections and other programs and activities including, but not limited to: (i) assessment and surveillance; (ii) emergency preparedness and response; (iii) policy development; (iv) communications; (v) community partnership development; (vi) organizational administrative competences; (vii) data-driven interventions; and (viii) accountability and performance management.

‘Public health programs’, programs including, but not limited to: (i) communicable disease control; (ii) public health nursing services; (iii) epidemiology; (iv) food and water protection; (v) chronic disease and injury prevention; (vi) environmental public health; (vii) maternal, child and family health; and (viii) access to and linkage with clinical care, where applicable.

(b) The department, in consultation with municipalities and other stakeholders, shall establish a state action for public health excellence program to: (i) provide every resident of the commonwealth with foundational public health services, including services to further health equity for historically underrepresented communities; (ii) assist boards of health to adopt practices that will improve the efficiency and effectiveness of the delivery of foundational public health services; (iii) develop a set of standards for foundational public health services across the commonwealth; and (iv) promote and provide adequate resources for boards of health that shall include, but not be limited to:
(A) supporting boards of health to meet the standards set under subsection (c) to improve the municipal and regional health systems;

(B) increasing cross-jurisdictional sharing of public health services to strengthen the service delivery capabilities of the municipal and regional public health systems;

(C) improving planning and system accountability of the municipal and regional public health systems, including statewide data collection and reporting systems;

(D) establishing workforce credentialing standards, including, but not limited to, education and training standards for municipal and regional public health officials and staff; and

(E) expanding access to professional development, training and technical assistance for municipal and regional public health officials and staff.

(c) The standards for foundational local public health services developed pursuant to subsection (b) shall include: (i) standards for inspections, epidemiology and communicable disease investigation and reporting, permitting and other local public health responsibilities as required by law or under applicable regulations of the department or the department of environmental protection; (ii) workforce education, training and credentialing standards; and (iii) standards for contributing required data. The standards shall consider national standards and shall be developed in consultation with local boards of health, public health organizations, academic experts in the field of public health and members of the special commission on local and regional public health established in chapter 3 of the resolves of 2016.

(d) Boards of health shall implement and comply with the standards developed pursuant to subsections (b) and (c) individually or through cross-jurisdictional sharing of public health services in the form of comprehensive public health districts, formal shared services and other arrangements for sharing public health services. Annually, not later than December 1, boards of health shall demonstrate compliance with the standards by submitting a report to the department.

(e) Subject to the availability of funds, the department and the department of environmental protection shall, according to each agency’s jurisdiction and authority, provide comprehensive core public health educational and training opportunities and technical assistance to municipal and regional public health officials and staff to support them in obtaining credentials and foundational capabilities required under the standards developed pursuant to subsections (b) and (c) in diverse geographic locations or online. The department and the department of environmental protection may contract with other state agencies or external entities to provide such training and technical assistance.

(f)(1) Subject to the availability of funds, the department shall provide funds to boards of health to implement and comply with the standards developed pursuant to subsections (b) and (c), including through cross-jurisdictional sharing of public health services in the form of comprehensive public health districts, formal shared services and other arrangements for sharing public health services.

(2) The provided funds may include:

(i) grants and technical assistance to municipalities that demonstrate
limited operational capacity to meet local public health responsibilities as required by law or applicable regulations;

(ii) competitive grants to increase the efficiency and effectiveness of the delivery of public health services across 3 or more municipalities through: (A) expanding shared services arrangements to include more municipalities; (B) expanding shared services arrangements to provide a more comprehensive and equitable set of public health services or sustainable business model; or (C) supporting new cross-jurisdictional sharing arrangements; provided, however, that grants provided under this clause shall supplement and not replace existing state, local, private or federal funding to boards of health and regional health districts; provided further, that board of health shall apply for funds under this clause in a manner determined by the department; provided further, that the application shall include, but not be limited to: (a) a description of how the applicant will increase the efficiency and effectiveness in the delivery of public health services; (b) certification that, at the time of the application, the applicant meets or will use funding to meet workforce standards as determined by the department; (c) certification that the applicant shall submit written documentation on the implementation of systems to increase efficiency in providing local public health services, including data, to the department in a manner to be prescribed by the department; and (d) a plan for the long-term sustainability of strengthening local public health services; provided further, that the department shall adopt rules, regulations or guidelines for the administration and enforcement of this clause, including, but not limited to, establishing applicant selection criteria, funding priorities, application forms and procedures, grant distribution and other requirements; and provided further, that not less than 33 per cent of the grants awarded shall go to municipalities with a median household income below the median income of the commonwealth; and

(iii) annual non-competitive funding to ensure that all residents of the commonwealth are provided with foundational public health services that meet or exceed the standards set under this section; provided, however, that funds provided under this clause shall be distributed based on level of implementation of the standards established in this section and using a formula based on population, level of cross-jurisdictional sharing and sociodemographic data; provided further, that receive funding under this clause, a board of health shall demonstrate progress or implementation of the standards in an annual report to the department and to the department of environmental protection; provided further, that the report shall not require data that is otherwise reported to the department under subsection (d); and provided further, that data demonstrating implementation and compliance with the standards shall be submitted in a form prescribed by the department.

(g) Subject to the availability of funds the department and the department of environmental protection shall develop systems to provide for increased standardization, integration and unification of public health reporting and systems for the measuring of standard responsibilities of boards of health, including, but not limited to, inspections, code enforcement, communicable disease management and local regulations. Where feasible and in compliance with state and federal privacy requirements, the data and an analysis of the data shall be available on the department’s and department of environmental protection’s websites in a
form that allows the public to conduct further analysis; provided, however, that any such published data shall exclude personal identifying information.

(h) The department shall determine the state sustainable local public health cost estimate, which shall be the amount of funds necessary to meet the requirements of this section for each fiscal year. The department shall report the commonwealth’s sustainable local public health cost estimate to the secretary of administration and finance for the upcoming fiscal year on the day assigned for submission of the budget by the governor to the general court pursuant to section 7H of chapter 29 and shall publish the estimate on the website of the department.

(i) Biennially, not later than December 1, in every even numbered year, the department and department of environmental protection shall submit a report detailing the impact of the state action for public health excellence program established under subsection (b), the status of the local public health systems and their ability to meet the requirements under this section, including, but not limited to: (i) the number of board of health and regional health district officials and staff that meet workforce standards as determined by the department; (ii) the number of board of health and regional health district officials and staff that attended educational and training opportunities; (iii) the number of boards of health and regional health districts that are in compliance with data reporting requirements under this section; and (iv) the number of municipalities participating in regional public health collaborations. The report shall be provided to the clerks of the house of representatives and the senate, the house and senate committees on ways and means and the joint committee on public health and posted on the websites of the department and the department of environmental protection.

(j) Notwithstanding any general or special law to the contrary, if the commissioner, the commissioner of the department of environmental protection, or their authorized representatives determine that failure to meet standards established under subsection (c) in a timeframe consistent with the timeframe established in subsection (d), constitutes a threat to public health, they shall, in writing, notify the appropriate board of health of such determination and request that the board of health, in writing, notify the department of actions taken to effect appropriate protection. If the commissioner is not so notified, or if after notification the commissioner determines the actions are not sufficient to protect public health, the department may restrict future funding provided under clause (iii) of subsection (f) and will report these insufficiencies in its report issued under subsection (i).

(k) Nothing in this section shall limit the authority or responsibility of a board of health otherwise established by the General Laws, including, but not limited to, section 127A.”; and

By inserting after section 105 the following 3 sections:-

“SECTION 105A. (a) Not more than 1 year from the effective date of this act and before the adoption of any regulation for the administration of the state action for public health excellence program, the department of public health shall hold not less than 4 public hearings in diverse geographic locations or online to identify ways to improve the efficiency and effectiveness of the delivery of local public health services, in alignment with the recommendations of the special commission on local and regional...
public health established in chapter 3 of the resolves of 2016.

(b) Not later than December 1, 2022, the department of public health shall submit a report to the clerks of the house of representatives and the senate, the senate and house committee on ways and means and the joint committee on public health. The report shall include an analysis of needs, opportunities, challenges, timeline and cost analysis for the implementation of section 27D of chapter 111 of the General Laws.

SECTION 105B. The special commission on local and regional public health established in chapter 3 of the resolves of 2016 shall convene not later than 30 days following the effective date of this act to review the changes made to section 27D of chapter 111 of the General Laws pursuant to section 37A and funding available to support and enhance the commonwealth’s local and regional public health system.

SECTION 105C. The standards developed under subsections (b) and (c) of section 27D of chapter 111 of the General Laws shall be consistent with the recommendations of the report of the special commission on local and regional public health approved in June 2019 and shall be implemented and complied with pursuant to a phased schedule adopted by the department. The department shall publish a list of minimum statutory and regulatory local public health standards established under said subsections (b) and (c) of said section 27D of said chapter 111 not later than 60 days following the effective date of this act.”

“SECTION XX. (a) Notwithstanding any general or special law to the contrary, the Commonwealth Corps, as established in chapter 192 of the acts of 2007, as amended in chapter 142 of the acts of 2011, shall be expanded to include the Massachusetts Coronavirus Recovery Corps, established in direct response to the 2020 Coronavirus pandemic in the Commonwealth. The Massachusetts Coronavirus Recovery Corps shall be administered by the Massachusetts Service Alliance. In order to promote community service and build organizational capacity, the Massachusetts Service Alliance shall deploy service members to support organizations addressing challenges posed by COVID-19 in Massachusetts, including access to health services, disaster preparedness, response and recovery, and workforce development as outlined in paragraphs (1) through (3) below. The Massachusetts Coronavirus Recovery Corps, subject to appropriation, will place service members in: (1) health-focused organizations, including but not limited to, community health centers and municipal public health departments,"
throughout the Commonwealth that have seen higher incidences of COVID-19 or that are located in high-risk communities and in communities in need as determined by the Massachusetts Service Alliance. The Massachusetts Coronavirus Recovery Corps shall provide a wide range of support including, but not limited to, care navigation, patient education, and conducting outreach to connect new patients with health care services. The work of the Massachusetts Coronavirus Recovery Corps members within this focus area shall place a special emphasis on addressing health disparities that exist for racial and ethnic populations; (2) disaster services organizations responding to COVID-19 that need support in areas including, but not limited to, food distribution, personal protective equipment distribution, ground support, medical distribution, distribution of future vaccines, and other areas where there is ongoing, emergent need as a direct result of the COVID-19 pandemic as determined by the Massachusetts Service Alliance; and (3) organizations, as determined by the Massachusetts Service Alliance, that support workforce development pipelines throughout the Commonwealth in order to connect residents who are unemployed and underemployed as a direct result of COVID-19 to job training, adult education, work readiness skills, employment opportunities, and career advising activities.

(b) The Massachusetts Coronavirus Recovery Corps shall exist until its mission is deemed complete during the COVID-19 pandemic recovery period as determined by the commissioner of the department of public health or their designee, the secretary of public safety and security or their designee, and the secretary of labor and workforce development or their designee, in conjunction with the Massachusetts Service Alliance, or not more than three years after the governor’s state of emergency declaration is lifted, whichever is sooner.

(c) The Massachusetts Coronavirus Recovery Corps shall be supported with public and private funds, which shall be administered by the Massachusetts Service Alliance.

(d) The Massachusetts Service Alliance shall, at its discretion, reach out to relevant agencies, including the executive office of health and human services, the executive office of public safety and security, the executive office of labor and workforce development, as needed to obtain relevant information and data. The above named agencies shall provide any data or information requested by the Massachusetts Service Alliance that may be needed to fulfill the goals of the Recovery Corps.

(e) The Executive Office of Public Safety and Security, in conjunction with the Massachusetts Service Alliance, shall conduct a study relative to determining the effectiveness and utility of the Massachusetts Coronavirus Recovery Corps during the COVID-19 pandemic and potential need for a similar program during future pandemics or other emergency scenarios in the Commonwealth. The study shall include an analysis of the program and recommendations for additional measures and resources that would be required for the Massachusetts Coronavirus Recovery Corps to operate effectively during future pandemics and emergency scenarios. The Executive Office of Public Safety and Security shall file a written report of its findings and any recommendations within 120 days following the termination of the Massachusetts Coronavirus Recovery Corps. Said written report shall be filed with the clerks of the house of representatives and the
senate and shall include its recommendations together with any drafts of legislation necessary to carry its recommendations into effect.

SECTION XXX. Notwithstanding any general or special law to the contrary, not later than 14 days after the effective date of this act, the secretary of administration and finance shall direct the comptroller to transfer $4,300,000 from the federal COVID-19 response fund established in section 2JJJJ of chapter 29 of the General Laws to the Massachusetts Service Alliance for the administration of the Coronavirus Recovery Corps, as established in the above section.”

The amendment was rejected.

Messrs. Lesser and O'Connor moved that the proposed new text be amended by adding after section X the following section:-

“SECTION XX. (a) Notwithstanding any general or special law to the contrary, there shall be a special commission known as the Commission of Inquiry on the Commonwealth of Massachusetts’ Response to and Recovery from the COVID-19 Crisis, established to conduct a rigorous and comprehensive review of the Commonwealth’s COVID-19 response and subsequent recovery in Massachusetts and make recommendations on how the Commonwealth can be better prepared for future crises in order to better protect Massachusetts residents.

(b) The purposes of the commission are to (i) examine the facts and circumstances relating to the emergence and spread of COVID-19 in Massachusetts; (ii) evaluate Massachusetts’ preparation and response to COVID-19; (iii) evaluate measures adopted to contain the virus, including the economic impacts of social distancing practices and stay-at-home directives; (iv) evaluate measures such as school and business closures, and disruptions of access to child care; (v) evaluate the disparate impacts of COVID-19 on different communities and populations, including racial and ethnic minorities; (vi) evaluate the protocols, procedures, and treatment practices in nursing homes and long-term care facilities throughout the state, including the Soldiers’ Homes in Holyoke and Chelsea; (vii) evaluate the public outreach policies used by the executive branch to protect the health of individuals, families and communities, and their effectiveness to inform and reach Massachusetts residents; and (viii) report on its findings, conclusions, and recommendations for corrective measures that can be taken to prevent, prepare for, respond to, and mitigate the effects of future epidemics and pandemics in Massachusetts.

(c) The commission shall (i) investigate the facts and circumstances related to the outbreak and spread of COVID-19 in Massachusetts and the response by the state with respect to any relevant legislation, regulation, plan, policy, or executive order; (ii) investigate the efficiency, effectiveness, equity and transparency of the use of state funds and relief programs to address COVID-19, including through federal agencies, state and local government entities, financial institutions and other private businesses, grants, loans, investments or other means; (iii) investigate the preparedness for and response to COVID-19, including the planning for and implementation of testing, containment, mitigation, contact tracing activities, and the acquisition and distribution of protective equipment and medical supplies; (iv) investigate the economic and social impact of COVID-19 on individuals, communities, small businesses, health care providers, the state, and local government entities; (v) investigate any
disparate impacts of COVID-19 on different communities and populations, including racial and ethnic minorities, senior citizens, and other vulnerable or historically disadvantaged populations; (vi) investigate the use and public health impact, effectiveness, and social and economic cost of social distancing practices, stay-at-home directives, school and business closures, disruptions to childcare, and other measures adopted to contain the virus; (vii) review the efficacy of public outreach to inform and protect Massachusetts residents; (viii) investigate any disparate impacts in nursing homes and long-term care facilities in the state; and (ix) identify lessons learned from the outbreak and from the response by the state, including the coordination, management, policies, procedures, public outreach, and actions of federal, state and local governments and non-governmental entities in preparing for, detecting, preventing, and responding to COVID-19. The commission shall make publicly available a report containing its findings, conclusions, and recommendations.

(d) The commission shall consist of 7 members: 1 person who shall be appointed by the governor; 1 person who shall be appointed by the Massachusetts attorney general; 1 person who shall be appointed by the state treasurer; 1 person who shall be appointed by the secretary of the commonwealth; 1 person who shall be appointed by the state auditor; 1 person who shall be appointed by the senate president; and 1 person who shall be appointed by the speaker of the house. The chair of the commission shall be appointed by a majority vote of the members. Individuals appointed to the commission shall be Massachusetts residents with extensive experience and significant expertise in professions such as: economics; labor and workforce development; business and finance; public health; medicine, including epidemiology; healthcare; civil rights; law and governmental service; and emergency preparedness, response, and management. The composition of the committee shall, to the fullest extent possible, consist of a mixture of experts from all the professions listed above.

The nonpartisan commission shall be comprised of individuals who can look at the totality of the state’s response impartially, without fear or favor, regardless of party or interests involved. An individual appointed to the commission may not be a current elected official, an employee of state or local government, a registered lobbyist, or an employee of a trade association or special interest group whose purpose is to lobby at the state level or otherwise influence governmental policymaking. Appointments to the commission shall be made not later than 30 days after the effective date of this act.

(e) The commission shall furnish reasonable staff and other support for the work of the commission. Members shall not receive compensation for their service but may receive reimbursement for reasonable expenses incurred in carrying out their responsibilities as members of the commission.

(f) The commission may meet as appropriate, but not less than 4 times in different geographic regions of the commonwealth and shall accept input from the public via not less than two public hearings, as well as solicit expert testimony from individuals identified by the commission. The public hearings shall be conducted in person unless such in-person meetings would pose a health risk or significant practical challenges.
(g) The commission shall have the power to issue subpoenas to compel the attendance of witnesses and the production of documents, papers, books, records and other evidence relating to any matter under investigation. The commission shall have the power to administer oaths and affirmations to persons whose testimony is required. The commission may select and contract with independent consultants to assist with leading and managing public hearings, collecting and analyzing data and information, completing a final report and any other activity to achieve the goals of the commission.

(h) The commission shall, following the completion of the required meetings and hearings, file a report of its findings, analysis, and recommendations to the clerks of the house of representatives and senate. The commission shall convene its first meeting not later than 45 days following the effective date of this act. The commission shall submit its final report and its recommendations not later than six months following the effective date of this act. The final report must be made publicly available in both electronic and paper format.”

Barrett, Michael J. – 1.

The yeas and nays having been completed at twenty minutes before six
o'clock P.M., the amendment was adopted.

Messrs. DiDomenico, Moore and Eldridge, Ms. DiZoglio, Messrs. Collins and Velis, Ms. Comerford, Ms. Moran, Ms. Rausch, Messrs. Gomez, Feeney, Finegold, Hinds, Kennedy and Timilty, Ms. Lovely and Mr. Crighton moved that the proposed new text be amended in section 2A, in item 1599-2049, by adding the following words: “; provided further, that not less than $1,920,000 shall be expended to Project Bread to better connect eligible unenrolled residents with federal nutrition programs, including the Supplemental Nutrition Assistance Program, through statewide expanded outreach, increased community engagement, marketing and promotion campaigns”.

After remarks, the amendment was adopted.

Messrs. Keenan, O'Connor and Feeney moved that the proposed new text be amended by inserting after section 42 the following section:-

“SECTION 42A. Section 77 of chapter 52 of the acts of 2016 is hereby amended by striking out the figure ‘2021’ and inserting in place thereof the following figure:- ‘2026’.”

After remarks, the amendment was adopted.

Mr. Crighton moved that the proposed new text be amended in section 2A, in item 1599-2051, by adding the following words: “provided further, that not less than $2,500,000 shall be expended to the city of Lynn for projects to improve water quality at King’s beach; provided further, that not less than $2,500,000 shall be expended to the town of Swampscott for
projects to improve water quality at King’s beach”.
After remarks, the amendment was adopted.

Recess.

At twelve minutes before six o’clock P.M, at the request of Mr. Tarr, for the purpose of a minority caucus, the Chair (Mr. Brownsberger) declared a recess; and, at twenty-seven minutes before seven o’clock P.M., the Senate reassembled, Mr. Brownsberger in the Chair (having been appointed by the President, under authority conferred by Senate Rule 4, to perform the duties of the Chair).

There being no objection, during consideration of the Orders of the Day, the following matters were considered, as follows:

PAPER FROM THE HOUSE

Engrossed Bill.

An engrossed Bill redesignating the board of selectmen in the town of Princeton as the selectboard (see Senate, No. 2464) (which originated in the Senate), having been certified by the Senate Clerk to be rightly and truly prepared for final passage, was passed to be enacted and signed by the Acting President (Mr. Brownsberger) and laid before the Governor for his approbation.

Matter Taken Out of the Orders of the Day.

The following matter was taken out of the Orders of the Day and considered as follows:

The House Bill establishing a sick leave bank for Samantha Davignon, an employee of the Department of Children and Families (House, No. 4094),-- was read a third time.

Pending the question on passing the bill to be engrossed, Mr. Brady moved that the bill be amended by inserting after the word “Davignon”, in line 4, the first time it appears, the following words:– “to care for her child”.

The amendment was adopted.

The bill, as amended, was then passed to be engrossed, in concurrence, with the amendment.

Sent to the House for concurrence in the amendment.

PAPER FROM THE HOUSE.

A Bill validating the results of the special town meeting held on September 14, 2021 and the special election held on September 21, 2021 in the town of Leicester (printed in House, No. 4211,-- being a message from his Excellency the Governor),-- was read.

There being no objection, the rules were suspended, on motion of Ms. Lovely, and the bill was read a second time, ordered to a third reading, read a third time and passed to be engrossed, in concurrence.

Report of a Committee.

Ms. Lovely, for the committee on Rules, reported that the following matter be placed in the Orders of the Day for the next session:

The House bill designating a certain bridge in the town of Needham the
There being no objection, the rules were suspended, on motion of Ms. Creem, and the bill was read a second time, ordered to a third reading, read a third time and passed to be engrossed, in concurrence, its title having been changed by the committee on Bills in the Third Reading to read as follows: “An Act designating a certain bridge in the town of Needham the Private First Class David “Damon” Borrelli memorial bridge.”

Orders of the Day.

The Orders of the Day were further considered as follows:

The House Bill relative to immediate COVID-19 recovery needs (House, No. 4234),-- was further considered, the main question being on ordering the bill to a third reading.

Messrs. Montigny, Gomez and Timilty moved that the proposed new text be amended in section 2, in item 1599-2029, by adding the following words:- “provided further, that funds in this item shall not be expended to any nursing facility until said facility submits a final detailed financial report to the executive office of health and human services itemizing all expenditures made using supplemental payments and funding for staff sign-on bonuses during the COVID-19 public health emergency, including but not limited to funds used to acquire personal protective equipment, additional staff, additional sanitation measures, and regular screening of residents and staff; provided further, that the executive office of health and human services shall report to the house and senate committees on ways and means all final financial reports and any facility not in compliance with supplemental payment requirements; provided further, that the executive office shall post said report on its website; and provided further, that any facility that is found to have used said supplemental payments on expenses other than permissible uses or has failed to submit a final detailed financial report shall not be eligible for assistance under this item”.

After debate, the amendment was rejected.

Ms. Lovely, Messrs. O'Connor and Cyr moved that the proposed new text be amended in section 2A, in item 1599-2044, by adding the following words:- “; provided further, that not less than $4,000,000 shall be expended to the department of agriculture resources for an Agricultural Fair Economic Recovery grant program; provided further, that grants may be used for expenses or losses incurred by agricultural fairs during the 2019 novel coronavirus pandemic”; and by striking out the figure “$8,000,000” and inserting in place thereof the following figure:- “$12,000,000”.

After remarks, the amendment was adopted.

Ms. Lovely, Messrs. O'Connor, Feeney and Moore, Ms. Rausch and Mr. Collins moved that the proposed new text be amended in section 2A, in item 1599-2049, by adding the following words:- “; provided further, that not less than $2,700,000 shall be expended to establish a Massachusetts community college campus hunger pilot program to address student hunger and food insecurity as an obstacle to degree attainment; provided further, that the department of higher education shall distribute the funds by issuing a request for proposal through which community colleges may apply;
provided further, that the department shall grant funds based on the demonstrated need and proposed implementation plan of each application; and provided further, that funds received by college campuses shall be used to address food insecurity among students via means including, but not limited to, meal cards, meal plans, meal vouchers and other campus-designed projects to address community college student food insecurity”.

After remarks, the amendment was adopted.

Suspension of Senate Rule 38A.

Ms. Creem moved that Senate Rule 38A be suspended to allow the Senate to continue in session beyond the hour of eight o’clock P.M.;

The question on suspension on Senate Rule 38A was determined by a call of the yeas and nays at ten minutes past seven o’clock P.M., to wit (yeas 35 – nays 2) [Yeas and Nays No. 103]:

The amendment was adopted.

Ms. Lovely, Messrs. Velis and Fattman, Ms. Gobi, Messrs. Moore, Timilty and Tarr moved that the proposed new text be amended by inserting after section 32 the following section:

“SECTION 32A. Chapter 62C of the General Laws is hereby amended by striking out section 16B, as added by section 30 of chapter 227 of the acts of 2020, and inserting in place thereof the following section:

Section 16B. Notwithstanding the due date of the return as set forth in section 16 or the payment date as set forth in section 32 or any other general
or special law to the contrary, a payment of tax shall be made in advance of
the filing of the return required under subsection (g) or (h) of said section
16 not later than the twenty-fifth day of the last month of the filing period;
provided, however, that such payment shall include: (i) the tax collected for
any taxable sale made during the days in the filing period occurring on or
before the twenty-first day of the last month of the filing period; or (ii) not
less than 80 per cent of the tax collected on the gross receipts from taxable
sales during the immediately preceding filing period; provided further, that
this section shall not apply to operators whose cumulative room occupancy
excise liability in the immediately preceding calendar year with respect to
returns filed under said subsection (g) of said section 16 is not more than
$150,000; provided further, that this section shall not apply to vendors
whose cumulative sales tax liability in the immediately preceding calendar
year with respect to returns filed under said subsection (h) of said section 16
is not more than $150,000; provided further, that this section shall not apply
to a materialman who files a return with the commissioner pursuant to said
subsection (h) of said section 16; and provided further, that tax collected for
any taxable sale made during the remaining days of the filing period for
which tax was not previously remitted shall be remitted at the time the return
for that filing period is required to be filed. A payment made under this
section shall be credited against the actual tax liability due on the return
required for the filing period.

A penalty of 5 per cent of the amount of an underpayment shall be
imposed, unless such underpayment is due to a reasonable cause; provided,
however, that such penalty shall not be imposed if the payment made on or
before the date prescribed in this section is not less than 70 per cent of the
total tax collected during the filing period. For the purposes of this
paragraph, the term “underpayment” shall mean the excess of the amount of
the payment required under this section over the amount, if any, paid on or
before the date prescribed therefor.

The department of revenue shall issue regulations and guidance
necessary to implement this section.”

The amendment was adopted.

“SECTION 92. (a) There shall be within the executive office for administration and finance, but not subject to the control of the office, an equity and accountability review panel. The panel shall consist of: 1 member appointed by the deputy chief of the office of access and opportunity, who shall serve as co-chair; 1 member appointed by the Coalition for an Equitable Economy, who shall serve as co-chair; 1 member appointed by the state auditor; 1 member appointed by the comptroller; 1 member appointed by the inspector general; 1 member appointed by the executive director of the supplier diversity office; the chief data officer for the commonwealth or a designee; the chief digital officer or a designee; 2 members appointed by the Massachusetts Nonprofit Network, Inc. with expertise in the non-profit and human services sector serving communities disproportionately impacted by the 2019 novel coronavirus pandemic; 1 member appointed by the commission on the status of women; 1 member appointed by Common Cause Massachusetts; 1 member appointed by the Center for Women and Enterprise, Inc.; 1 member appointed by the Massachusetts Association of Community Development Corporations; 1 member appointed by the commission on the status of Asian Americans and Pacific Islanders; 1 member appointed by the commission on the status of African Americans; 1 member appointed by the commission on the status of persons with disabilities; 1 member appointed by the commission on the status of Latinos and Latinas; 1 member appointed by the North American Indian Center of Boston, Inc.; the president of the National Association for the Advancement of Colored People New England Area Conference or a designee; the president of Massachusetts Budget and Policy Center, Inc. or a designee; 1 member appointed by the Massachusetts association of regional planning agencies; 1 member appointed by the Massachusetts Minority Contractors Association, Inc.; 1 member appointed by the Green Justice Coalition; and 1 member appointed by the New England Clean Energy Council, Inc. The panel shall meet publicly not less than monthly and appointments shall be made not later than December 31, 2021. The panel shall hold its first meeting not later than 90 days after the effective date of this act. The executive office for administration and finance shall
provide administrative support to the panel as appropriate.

(b) The panel shall, in collaboration with the executive office for administration and finance, create a user-friendly tracking system and website through which the public may access, in near real-time, the amount and percentage, by spending category, of funds appropriated under this act spent in communities that were disproportionately impacted by the 2019 novel coronavirus pandemic, including, but not limited to: (i) spending received by environmental justice populations as defined in section 62 of chapter 30 of the General Laws or communities that score in the top half of the federal Centers for Disease Control and Prevention’s social vulnerability index; (ii) a breakdown of contract and sub-contract dollars awarded to diverse businesses, as defined in section 58 of chapter 7 of the General Laws, disaggregated by the category of the business owners of such enterprises; (iii) a breakdown of spending by zip code and statewide; and (iv) any other data or analysis the panel deems necessary to carry out its charge. Information on the website shall be made available in a machine-readable, downloadable format and through data visualization tools on the website. The executive office for administration and finance shall maintain the tracking system and shall load submitted data into the tracking system on an automated basis not more than 24 hours after receiving the data; provided, however, that if the panel determines that submitting the data on an automated basis within the prescribed timeline is not feasible, the executive office shall submit the data as soon as practicable and provide an explanation of why it is not feasible to submit the data on an automated basis within the prescribed timeline to the senate and house committees on ways and means.

(c) All state and municipal agencies receiving funds appropriated under this act or funds expended pursuant to section 4 of chapter 22 of the acts of 2021 shall submit the data required under this section in a timeframe established by the panel and shall comply with any request from the panel for information and data necessary to achieve the purposes of this section. Not later than March 31, 2022, the panel shall create and make available to funding recipients standardized electronic reporting forms for different categories of funding to track the geography and demography of end recipients of funding.

(d) Not later than July 1, 2022, the tracking system and website required under subsection (b) shall be operative and publicly available on the website of the executive office for administration and finance.

(e) The panel shall: (i) set statewide goals, by category of spending, for the percentage of funds appropriated under this act to be received by individuals who are members of communities that were disproportionately impacted by the 2019 novel coronavirus pandemic or entities or projects that predominantly serve populations that were disproportionately impacted by the 2019 novel coronavirus pandemic; and (ii) catalogue any such funds that are not received by the individuals, entities or projects described in clause (i), including a description of why the funds were allocated elsewhere. Not later than March 15, 2022, the panel shall submit the draft goals to the clerks of the senate and the house of representatives and the senate and house committees on ways and means. The panel shall seek public comments on the proposed goals. Not later than May 15, 2022, the panel shall establish final goals and submit the final goals to the clerks of the senate and the house
of representatives and the senate and house committees on ways and means. The executive office for administration and finance shall publish the draft goals and final goals on the website created pursuant to subsection (b).

(f) The panel shall regularly review data published in the tracking system and assess performance relative to the benchmarks and participation goals established under section 93 and the goals established under subsection (e). The yeas and nays having been completed at twenty-four minutes before eleven o’clock P.M., the bill was passed to be engrossed in concurrence with the amendment [For text of Senate Bill, printed as amended, see Senate, No. 2580].

Sent to the House for concurrence in the amendment.

Order Adopted.

On motion of Mr. Tarr,--

Ordered, That when the Senate adjourns today, it adjourn to meet again on Monday next at eleven o’clock A.M., and that the Clerk be directed to dispense with the printing of a calendar.

Adjournment in Memory of Israel “Izzy” Arbeiter
The Senator from Middlesex and Norfolk, Ms. Creem, moved that when the Senate adjourns today, it adjourn in memory of Israel “Izzy” Arbeiter of Newton, who passed away on Friday, October 29, 2021 at the age of 96.

The son of Hersch-Yitzhak Arbeiter and Hagar (Malenka) Arbeiter, Israel Arbeiter was born on April 25, 1925 in Plock, Poland as Srulek Arbeiter. In October 1942 he was sent by the Nazis to a concentration camp and would have died of typhoid there if not for the help of Chanka Balter, who worked in the kitchen. Izzy worked in six different concentration camps and was liberated by French troops in 1945 on his 20th birthday. With the aid of a United States military officer, Izzy found his savior Chanka, who later changed her name to Anna, and they subsequently married.

After living abroad for several years, Izzy, Anna and their daughter Harriet arrived in Boston on May 18, 1949. Along with his brother Mack, Izzy ran the Arbeiter Brothers tailor shop in Dorchester and later bought a dry-cleaning business in Newton. He was known for his great optimism and wonderful sense of humor. When asked about his line of business, he would tell people that he was a “CPA - cleaning, pressing and alterations.” He was someone who made a lasting impact on others’ lives.

In addition to being a master tailor, Izzy spent his life bearing witness, sharing his family’s story and advocating for Holocaust education. He spoke out for the rights of survivors, insisting that the world remember what happened because “(t)here is never enough remembering”. Generations of young people in the Jewish community and beyond now have a better understanding of history and humanity.

Izzy was among the founders of the group that built the New England Holocaust Memorial in Boston, served as founder and President of the American Association of Jewish Holocaust Survivors of Greater Boston and spent a quarter of a century with Jewish Family & Children’s Service as the founder of their Holocaust Services program, which also solicited the German government for funding for survivors.

Izzy was the recipient of numerous awards over the years. In 2008 German officials awarded him the Order of Merit for fostering German-Jewish understanding and for his efforts on behalf of Holocaust survivors. He also received the Order of Merit medal by the Polish President in December, 2021. He received the Stephan Ross Excellence in Holocaust Education Award on October 6, 2021, sponsored by the New England Friends of March of the Living. Jewish Community Relations Council of Greater Boston’s annual Holocaust Remembrance program includes an Israel Arbeiter Holocaust Essay Contest.

Izzy is survived by his wife Ann Balter Arbeiter of 75 years, son Jack and daughter-in-law Hillary Saffer, daughter Harriet Fritz and late husband Ron, daughter Fran Rotman and significant other Bob Zicher, 4 grandchildren and 5 great-grandchildren. He will be sorely missed by the Newton and Greater Boston communities and all those who came in contact with him. His loss is immeasurable.

Accordingly, as a mark of respect in memory of Israel “Izzy” Arbeiter, at twenty minutes before eleven o’clock P.M., on motion of Mr. Brownsberger, the Senate adjourned to meet again on Monday next at
eleven o’clock A.M.
