

2020 – Third Quarter Program stats  
Plymouth County Correctional Facility

**Programs (Reentry and Violence Prevention):** \*Due to corona virus concerns program staff returned to work fulltime the beginning of August. The Reentry Program was housed in C-1 but that unit is now designated as a quarantine unit for new commits. The Violence Prevention Program, located in Unit FN-1, is scheduled to start up again on October 6, 2020. The Reentry Advocates will facilitate reentry focused groups in that unit in addition to the regular Violence Prevention curriculum until further notice. For the months of July, August and September inmates housed in FN-1 were provided with work packets with material from Hazelden Publishing and from Merging Two Worlds, from the Arizona Department of Education.

**Reentry Program:**

July:                00 participants  
                         00 certificates earned
