RE: MART FY2021 Audit

Dear Mr. Hurley,

Please find enclosed MART's FY2021 Financial Audit.

We are pleased to inform you that MART did not have any findings and closed FY2021 without a deficit.

As we navigate through these uncertain times created by the pandemic, MART plans to utilize its State and Federal resources to help maintain a financially stable path for our transit operations. MART will continue to strive to provide effective public transportation to our communities and appreciate the support that has been provided to MART by MassDOT.

Please feel free to contact me if you have any questions relative to the Audit.

Sincerely,

Bruno J. Fisher
