

**Massachusetts Division of Insurance
Statistical Supplement to the Annual
Home Insurance Report
For Calendar Year 2020**

Gary D. Anderson
Commissioner of Insurance

Introduction

The enclosed statistical supplement was prepared by the State Rating Bureau staff of the Massachusetts Division of Insurance (“Division”). Matthew M. Mancini, State Rating Bureau Director, Gerald B. Condon, State Rating Bureau Researcher, Caleb E. Huntington, State Rating Bureau Mathematician, Bashiru Abubakare, State Rating Bureau Actuary / Statistician as material that complement what is included in the 2020 Annual Report on the Massachusetts Market for Home Insurance.

The material included in this statistical supplement to the annual report is based primarily on responses from companies and statistical reporting organizations reflecting the experience of companies in the home insurance market. Unless otherwise noted in the report, references to home insurance, includes traditional home insurance, as well as condominium and rental insurance. **The Division makes all appropriate efforts to check the completeness and consistency of data reported by insurance companies and their statistical agents, but does rely on the insurance companies for the accuracy of all reported information.**

HISTORY OF MULTI-PERIL HOME INSURANCE IN MASSACHUSETTS

[Page intentionally left blank]

Multi-Peril Home Insurance

The Division of Insurance produces “Understanding Home Insurance”¹ that describes the differing types of home insurance. Home insurance has several forms, but ordinarily the insured is the occupant. In this report, statistics on home insurance refer to traditional home insurance, as well as condominium and rental insurance.

Fire insurance on real property has been commonplace in the United States since the nineteenth century. In the 1950’s, multi-peril home insurance policy was introduced. This coverage provided a more comprehensive coverage for damage from additional perils, as well as fire and protection against personal liability arising from use of the real property. Multi-peril home insurance policies became the standard by the 1960’s with Insurance Services Office, Inc. (ISO), an industry rating and statistical organization, as the lead sponsor of the standard home insurance policies since that time.² The Division of Insurance maintains a listing on its website³ of 90 commercial insurance companies that have indicated they have written ten or more home insurance policies in the second half of 2020 in Massachusetts.

Creation and Evolution of the Massachusetts FAIR Plan

In the 1960’s, there were periods of civil unrest resulting in extensive property damage (not to mention loss of life) in a number of large metropolitan areas across the United States. Many insurers withdrew from offering property coverage in urban areas. A national advisory panel on the nation’s cities advised the President of the United States that fair access to property insurance was a prerequisite for revitalization of urban America and called for a significant change in the insurance and reinsurance markets in relation to the protection of urban property. Following the recommendation of the advisory panel, the Commonwealth of Massachusetts created the Urban Area Insurance Placement Facility (Facility) shortly before Congress enacted the Urban Property and Reinsurance Act of 1968 authorizing the establishment of state “FAIR (Fair Access to Insurance Requirements) Plans” along with federal riot reinsurance to insurers.

The Facility served as Massachusetts’ FAIR Plan, both issuing residual market coverage on behalf of its members insurers and performing some of the functions of a traditional insurance company that inspects property, collects premium, and adjusts claims. The coverage initially offered through the FAIR Plan included a standard fire insurance policy for both personal and commercial lines, which also covered direct loss from the perils of vandalism and malicious mischief. The enabling act contemplated that the Facility would operate in “urban areas” designated by the Commissioner.⁴ In 1970, the Commissioner of Insurance broadened the designated area of operations for the Facility to include the entire Commonwealth of Massachusetts. The Commissioner also established that the commission rate to producers placing business in the FAIR Plan would be 12% of the premium charged to the insured.⁵

In 1975, the Commissioner of Insurance expanded the personal lines coverage offered by the FAIR Plan from what is covered in a standard fire insurance policy to what is covered in a multi-peril insurance policy. In addition, the Commissioner required that premium rates charged by the FAIR Plan to home be tied to the published manual rates of the ISO (Insurance Services Offices) rating organization for standard home risks.⁶

¹ “Understanding Home Insurance” is available at [Understanding Home Insurance | Mass.gov](#).

² General revisions of these home policies – usually referred to as HO-3 plans - have historically been filed by ISO on an intermittent basis, usually once every five to ten years.

³ The listing of home insurance companies on the Division of Insurance website can be located at [Companies Issuing 10 or More Home Insurance Policies in Second Half of 2020 - By County | Mass.gov](#).

⁴ Chapter 731 of the Acts of 1968 defined “urban area” as “any city or town, or streets or sections thereof, in the commonwealth so designated by the commissioner after appropriate hearing.” This designation was subsequently accomplished through regulation 211 CMR 5.00.

⁵ The 12% commission rate has remained constant since that time

⁶ The ISO rates were based on premium and loss data from all insurance companies that reported their premium and loss data to ISO as their statistical agent. These insurers at that time collectively wrote more than 70% of the home insurance market in Massachusetts.

Studies of Urban Insurance Availability (Redlining)

During the 1990s, there appeared to be continued problems in the availability of home insurance in urban areas and some analysts claimed that insurance companies had been “redlining” or unfairly discriminating against certain risks solely due to the geographic location and/or the racial or ethnic characteristics of potential insureds. “Redlining” is and has been a controversial issue in property insurance since at least the 1960’s and charges of redlining have been raised against certain property insurers and the property insurance industry as a whole over the years.

In 1993-95, the National Association of Insurance Commissioners (NAIC) undertook several studies on the issues of availability and affordability of urban insurance in the personal automobile and home insurance markets;⁷ the studies were not conclusive regarding redlining in urban areas. These studies did identify problems in obtaining coverage in many urban areas, but they were not able to pinpoint whether this could be solely tied to company underwriting practices, or whether it was also due to the lack of urban insurance producers (agents or brokers), rate inadequacy for certain urban areas, or carrier misconceptions relative to urban risks. It was generally found, however, that premiums were higher in urban areas.⁸

In 1995, following the release of the NAIC studies, the Massachusetts Division of Insurance (DOI) Special Investigative Unit (SIU) conducted an examination of eight insurers who were major writers of coverage in the Massachusetts home insurance market and representative of the home market as a whole.⁹ The SIU examination focused on the marketing and underwriting practices of these insurers in the Boston area. The purpose of the examination was to determine whether any of the eight insurers were engaged in unlawful discrimination in underwriting in Boston or any of its neighborhoods. This examination did not reveal any illegal discrimination by these insurers.

The NAIC studies helped focus attention on the need for insurers to reassess their approach to urban markets. In Massachusetts, this resulted in at least two small changes. First, a brokerage system was designed to help insurers find potential customers who met their underwriting criteria.¹⁰ Second, the Massachusetts Affordable Housing Alliance (MAHA) and several insurers undertook to encourage risk management training for insureds in urban areas, with discounted premiums made available as a reward for completion of the training.

Chapter 93 of the Acts of 1996

Following the publication of the NAIC studies and the subsequent DOI examination of urban home policies, a number of parties with a role in the home market - including insurers, insurance producers, consumers, legislators, and regulators - wanted to address the availability of home insurance in urban and coastal areas in the voluntary market.¹¹ They considered whether there should be monetary incentives for insurers to write urban and coastal property in the voluntary market, changes in the way that Facility operated and residual market rates were determined, and regular reporting so that the DOI could analyze home insurance data on both a company and industry basis.

Chapter 93 of the Acts of 1996 restructured the Facility and made several changes in the FAIR Plan operation, Chapter 93 made the following changes:

1. Eliminated the portions of the enabling act providing for an insurance placement facility and replaced them with language establishing a form of joint underwriting association, the Massachusetts Property Insurance

⁷ *A Preliminary Analysis of Urban Insurance Markets*, Robert W. Klein, 1994. *Urban Insurance Problems And Solutions: Interim Report*, National Association of Insurance Commissioners Insurance Availability and Affordability (EX3) Task Force, 1994. *The Impact of Loss Costs on Urban Home Insurance Markets*, Robert W. Klein, 1995.

⁸ The loss costs (cost of claims) associated with homes and businesses in those areas were higher as well.

⁹ *Report of Examination of Homeowner Insurance Availability in The Metropolitan Boston Area*, Massachusetts Division of Insurance, November 1995.

¹⁰ This Market Assistance Plan (MAP) was required by Chapter 93 of the Acts of 1996.

¹¹ The voluntary market is a group of insurers who write insurance in an environment that allows the right to accept and reject business submitted. The voluntary market does not include Excess or Surplus Lines.

Underwriting Association (MPIUA), which, like the Facility, would issue policies on behalf of its member insurers and serve as the Massachusetts FAIR Plan.¹²

2. Provided FAIR Plan assessment credits in 1997-98 for insurers writing voluntary business in territories where the FAIR Plan had high market penetration.
3. Required FAIR Plan to provide assessment credits starting January 1, 1999 for insurers writing voluntary business in zip codes where the FAIR Plan had high market penetration. (See Exhibit 2A)
4. Provided FAIR Plan assessment credits (“take-out credits”) for insurers writing voluntary business in coastal territories where more than 60% of the territory business had previously been written in the FAIR Plan.
5. Required FAIR Plan to provide take-out credits starting January 1, 1999 for insurers writing voluntary business in coastal zip codes where the FAIR Plan had a greater than 60% market penetration. (See Exhibit 2B)
6. Tied FAIR Plan to rate changes in the voluntary market¹³. (See Exhibit 2C)
7. Provided for the top twenty-five insurers and the FAIR Plan to annually provide detailed cancellation and nonrenewal information by zip code for home insurance.
8. Provided that statistical agents for home insurance in Massachusetts are to submit premium and loss data reports by zip code and type of coverage, including detail on the causes of loss for each reported company.¹⁴
9. Provided that the Commissioner of Insurance report annually on the state of the Massachusetts home insurance market after substantial analysis of the data submitted in (6) and (7).
10. Authorized alternative loss settlement practices subject to the use of disclosure forms designed by the Commissioner.
11. Required the FAIR Plan to offer coverage through an installment plan and provide coverage for scheduled personal property.
12. Required the FAIR Plan to develop a market assistance plan (MAP) to assist applicants to obtain home insurance in the voluntary market.

Changes to FAIR Plan/MPIUA Rating Rules

Chapter 175C, section 5 requires the FAIR Plan to develop its rates by territory and follow different rating rules for homes in “large share territories” - where the FAIR Plan has a significant share of the business – as compared to all other homes.

Previously, in large share territories, the FAIR Plan rates could not increase by more than the “overall statewide average percentage increase” of the top 10 largest home insurance by market share in the Massachusetts in the prior calendar year. For all other territories, the commissioner could disapprove the FAIR Plan’s proposed rates if they exceed the ninetieth percentile of the rates in use in the territory by the 10 insurers with the largest market shares of home insurance written in the commonwealth on a statewide basis.

In 2004 two major changes were made to the ways that FAIR Plan rates are calculated:

- The law was changed to modify “large share territories.”
 - Defined large share territories as ones covering 7% of more of the home premium over the past 3 years.
 - Limited the number of “large share territories” to 13 in any one year
- The Commissioner of Insurance was directed to consider the effects of predicted hurricane losses and the cost of catastrophe reinsurance when examining the FAIR Plan’s proposed rates.

¹² Due to continuity of mission, membership, and operations, the terms MPIUA and FAIR Plan are often used interchangeably.

¹³ Chapter 436 of the Acts of 2004 (An Act Relative to the Joint Underwriting Association) permits the FAIR Plan to factor in the predicted costs of hurricane losses and the cost of catastrophe reinsurance.

¹⁴ The first data submission provided in 1996 was exclusively on a territorial basis. All subsequent data submissions have been required to include certain data on a zip code basis.

GENERAL LAWS OF MASSACHUSETTS
PART I. ADMINISTRATION OF THE GOVERNMENT

TITLE XXII. CORPORATIONS

CHAPTER 175. INSURANCE

POWERS AND DUTIES OF COMMISSIONER OF INSURANCE

Chapter 175: Section 4A. Provision of data to commissioner by homeowners insurers and joint underwriting association; access to confidential data; annual report to general court

Section 4A. As of July first, nineteen hundred and ninety-six, and annually thereafter, each admitted insurer writing homeowners insurance in the commonwealth, in accordance with the provisions of section four, and the joint underwriting association, formed pursuant to the provisions of chapter one hundred and seventy-five C shall furnish for examination and inspection by the commissioner of insurance, in accordance with section five of chapter one hundred and seventy-five C, for the owners, tenants and condominium, separately, forms of homeowners insurance written since January first, nineteen hundred and ninety-four, by standard statistical territories approved by the commissioner, a statistical report of its homeowners insurance experience showing the following data: written premiums; earned premiums; incurred losses, including loss adjustment expenses; loss ratio; number of incurred claims; and number of exposures.

As of July first, nineteen hundred and ninety-seven, or such later reasonable date as the commissioner may order after a hearing, but not later than July first, nineteen hundred and ninety-eight, the twenty-five admitted insurers with the largest homeowners market share in the commonwealth and the joint underwriting association, formed pursuant to the provisions of chapter one hundred and seventy-five C, shall furnish such data as provided in the preceding paragraph on the basis of the postal zip codes of credit-eligible territories, under the plan authorized by section four of chapter one hundred and seventy-five C, of all other postal zip codes in the city of Boston and such other postal zip codes as may be designated by the commissioner.

All data reports shall be formatted and produced in accordance with the National Association of Insurance Commissioners statistical handbook. Compliance with the requirements of this section shall be effected through statistical agents approved by the commissioner to act on behalf of the reporting insurers. In setting the effective date for data reporting in accordance with the preceding paragraph, the commissioner shall consider the practical ability of each statistical agent to so collect and report such data with an acceptable level of statistical credibility.

Access to such confidential data shall be granted by the commissioner to the attorney general, to the extent he so requests, for law enforcement purposes, and to the chairmen of the joint committee on insurance; provided, however, that the attorney general and the chairmen of the joint committee on insurance shall hold and keep such data confidential. All information reported pursuant to this section shall be given confidential treatment and shall not be subject to subpoena and shall not be made public by the commissioner, attorney general, chairmen of the joint committee on insurance, or any other person, without the prior written consent of the insurer to which it pertains, except by the insurer; provided, however, that if the commissioner, after giving the insurer and its affiliates who would be affected thereby, as well as the person or organization making the request, notice and the opportunity to be heard, determines that the interests of policyholders, shareholders or the public will be served by the publication thereof. In the event that the commissioner determines that such publication is appropriate, he may publish all or part of such data in such manner as he deems appropriate. Such hearing shall be held according to the adjudicatory procedures in chapter thirty A of the General Laws.

As of October first, nineteen hundred and ninety-six, and annually thereafter, the commissioner shall report to the general court concerning the current state of the homeowners insurance market in the commonwealth, both voluntary and residual market, and the conclusions reached by the commissioner based upon his most recent examination and inspection of the industry premium and loss data. Each such annual report shall be filed with the clerks of the senate and house of representatives who shall forward the same to the joint committee on insurance, the house and senate committees on ways and means and the attorney general. Such report shall be made available to the public by the commissioner. Said report shall summarize on an aggregate industry basis, by standard statistical territory and, when available, by zip code, broken down between voluntary and residual markets, the data concerning premiums and losses on homeowners insurance disclosed by the reporting insurers. Further, said report shall substantively analyze: the causes of loss and any trends discerned from the data by the commissioner; the respective market shares and levels of rate subsidies of the residual market policies written by the joint underwriting association, formed pursuant to the provisions of chapter one hundred and seventy-five C, compared to the voluntary homeowners insurance market; the availability and affordability of homeowners insurance in those territories whose association market share equals or exceeds four percent, with particular attention to credit-eligible territories; and the impact of such rate subsidies of the residual market policies written by said association upon the availability of homeowners insurance in the voluntary insurance market.

Each such annual report shall further examine the availability of homeowners insurance through the admitted insurers and the joint underwriting association, formed pursuant to the provisions of chapter one hundred and seventy-five C, in coastal municipalities, as well as the extent to which direct losses to residences caused by wind affect such availability. Said report may also contain any recommendations of the commissioner concerning legislation or other suggestions relative to the homeowners insurance market, loss control or disaster mitigation in the commonwealth.

Premium, loss and other data of individual insurers collected and examined by the commissioner shall not be specifically identified in said report; provided however that the commissioner shall, in an appendix, profile, separately for the twenty-five admitted insurers with the largest homeowners market share in the commonwealth based upon statewide written premium and, for the joint underwriting association, formed pursuant to the provisions of chapter one hundred and seventy-five C, the gross number of exposures, cancellations and non-renewals that each insured under homeowners insurance forms during the relevant time period covered by the data examined and inspected by the commissioner, in each such postal zip code or standard statistical territory for which data was collected and examined by the commissioner pursuant to this section. The commissioner's report shall also include an appendix which tabulates the industry aggregate number of homeowners policy non-renewals and cancellations effected during such relevant time period as reported to the commissioner pursuant to the provisions of section four B of chapter one hundred and seventy-five.

GENERAL LAWS OF MASSACHUSETTS
PART I. ADMINISTRATION OF THE GOVERNMENT

TITLE XXII. CORPORATIONS

CHAPTER 175. INSURANCE

POWERS AND DUTIES OF COMMISSIONER OF INSURANCE

Chapter 175: Section 4B. Annual report to commissioner of cancellations and non-renewals of homeowners policies

Section 4B. The commissioner, each year, shall direct and cause the twenty-five admitted insurers with the largest homeowners market share in the commonwealth, based upon statewide written premium and the joint underwriting association, formed pursuant to the provisions of chapter one hundred and seventy-five C, to submit directly for his inspection and examination a tabulation and report, for each postal zip code within credit-eligible territories, as defined by chapter one hundred and seventy-five C, of all other postal zip codes in the city of Boston, and such other postal zip codes as may be designated by the commissioner of insurance, of the number of effected cancellations and number of effected non-renewals of homeowners policies covering properties within such zip codes; provided, however, that the personal privacy of policyholders shall be preserved and all tabulations furnished pursuant hereto shall be deemed materials described in subclause (c) of clause Twenty-sixth of section seven of chapter four.

Coastal	128,415	10,918	85	\$126,140,277	\$10,065	Coastal	779	291	\$7,497,856	\$33,030

¹ Includes all Top 25 policies in force in urban and coastal areas as of 12/31/20 except policies that were issued in 2020. Does not include any FAIR Plan Policies. Reflects updated values for 2018 and 2019.

² Renewed Policies were exposed to risk of loss for all of 2020. Non-renewed policies were exposed to risk of loss on average for half of 2020; therefore, to facilitate comparison between renewed and nonrenewed policies, one half of the claims on renewed policies during 2019 have been removed from column (3).

³ Includes only nonrenewal policies in urban and coastal areas of the top 25 companies with the nonrenewal decision made for reasons other than geographic withdrawal. Does not include any FAIR Plan policies.

⁴ Does not include approximately 1.5 million policies written by voluntary writers outside designated urban and coastal zip codes.
