Re: Plan of Correction – MCI Framingham

Dear Superintendent Marchand:

The Massachusetts Department of Public Health, Community Sanitation Program (CSP) has received your Plan of Correction in response to my inspection on December 22, 2022. After review, the CSP finds the plan appropriately addresses all of the violations noted in the report with the following exceptions:

1. The CSP appreciates the information confirming that the cranberry sauce was properly labeled on January 2, 2023. However, violations identified as priority foundation (Pf) items shall be corrected at the time of inspection or no longer than 10 calendar days after the inspection. The CSP requests future corrective actions be completed in compliance with FC 8-405.11 Timely Correction and kitchen staff develop procedures to ensure all items are properly dated for the health and safety of inmates and staff.
2. Please provide an estimated date of repair for the out-of-order dumbwaiters in the Central Kitchen.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

Amy Medeiros
Environmental Health Inspector, CSP, BEH
