

2023 – First Quarter Program stats  
Plymouth County Correctional Facility

**Programs:** The three-month **Making Changes Program** is located in sentenced unit DN1 and offers anger management, reentry and life skills groups, opioid overdose prevention, resume writing, finances, parenting, CDL Prep class, HiSET/GED and OSHA 10. Certificates are awarded at the completion of each three-month cycle for those men who successfully complete the program.

We are also now offering a three-month **Conflict Resolution Program** in two pre-trial units. The program offers Life Skills, Anger Management, Parenting, Motivation & Inspiration, and Mindfulness groups.

Unit C-1, which housed the Reentry Program prior to the pandemic, is still operating as a quarantine unit for new commitments. The Reentry staff continue to do LSCMI/risk assessments, intake and exit interviews, program/sober house placements, and facilitate any needed wrap-around services on an individual basis for those close to release. \*The stats for the Making Changes Program represent December 2022 – February 2023. To get the program on a quarterly schedule March 2023 was used as a catch up month for staff, new evidence based program materials were reviewed and ordered, fill-in groups were held.
