To: The Honorable Senate and
House of Representatives

On March 23, 2023 the Clerk of the House of Representatives transmitted the above-referenced petition to me with a request for a memorandum pursuant to the provisions of General Laws Chapter 3 § 7.

The docket before you seeks to establish the Massachusetts Public Safety Building Authority, a body politic and corporate and a public instrumentality (hereinafter “the Corporation”). If enacted, the Corporation will be an independent public authority not subject to the supervision and control of any other executive office, department, commission, board, bureau, agency or political subdivision of the commonwealth except as specifically provided in any general or special law. The purpose of the Corporation is to “oversee a public facilities building program to provide state building assistance for the new construction, renovation, or remodeling of police stations, fire stations and other public safety facilities.

Special legislation is necessary to create this corporation. This office has no opinion on the merits of the proposed docket. No fee is required to be paid the Commonwealth by a corporation of this type.

Respectfully submitted,

William Francis Galvin
Secretary of the Commonwealth
