RE: SD2030 An Act establishing a public health option

Dear Clerk Hurley,

I am writing to respectfully be removed as a cosponsor on **SD2030** "*An Act establishing a public health option.*"

While I filed a similar bill in the House, I was inadvertently added as a cosponsor when Senator Jamie Eldridge filed the legislation. Currently, my office is delaying any cosponsorship requests until after joint rules are established for the 194th session.

Thank you for your attention to this matter. If you have any questions please do not hesitate to contact my office.

Sincerely,

Jack Patrick Lewis
