**Re: FY 2025 Budget Reporting**

July 29, 2025

Dear Chair Rodrigues, Chair Michlewitz, and Honorable Committee Members:

Enclosed please find the required reporting for the Massachusetts Clean Energy Center's (MassCEC) fiscal year 2025 budget as mandated by Line-Item 1595-6232. The enforcing text is as follows:

**1595-6232** *For the Clean Energy Investment Fund, established in section 15 of chapter 23J of the General Laws; provided, that funds shall be appropriated for environmental sector workforce development and investments to support emissions reductions in the energy, transportation and buildings sectors, as directed by the Massachusetts clean energy and climate plan for 2050; and provided further, that not later than April 3, 2025, the executive office shall submit a report to the house and senate committees on ways and means that shall include: (i) the number of workforce development programs receiving funds in fiscal year 2025; (ii) the number of individuals served by said programs; and (iii) the status of projected progress towards the goals outlined in the Massachusetts clean energy and climate plan for 2050 ..... \$20,000,000*

Reporting was delayed this year in part due to MassCEC not receiving FY25 funds into its account until April 8<sup>th</sup>, 2025. Please do not hesitate to reach out to MassCEC CEO Emily Reichert at [ereichert@masscec.com](mailto:ereichert@masscec.com) with any questions.

Respectfully,

Emily Reichert  
CEO of MassCEC
