Dear Clerks of the House and Senate,

We are pleased to share the final report of the Special Legislative Commission to Study Poverty, as established by Chapter 74 of the Acts of 2021. It has been an honor to engage in this work in our capacities as co-Chairs of the Commission.

Please note that while no vote was taken on this report, there is language within it (page 9) stating that while Commissioners have endorsed high level recommendations, they have not all endorsed each specific policy action.

Sincerely,
