Re: Annual Report of Wiretap Interceptions to the General Court Pursuant to  
G.L. c. 272, § 99R

Dear Mr. Hurley:

Pursuant to G.L. c. 272, § 99R, I hereby submit this report to the General Court on behalf of the Office of the Attorney General for the 2020 calendar year.

During 2020, the Attorney General submitted 15 applications for electronic surveillance warrants to Justices of the Superior Court. Justices of the Superior Court granted all 15 of these applications for electronic surveillance. Each of the resulting warrants authorized electronic surveillance for up to 15 days. The Attorney General submitted 9 grants for renewal. A total of 48,727 interceptions were made pursuant to these warrants. Of those 48,727 interceptions, 21,116 were pertinent interceptions. The designated offenses for which electronic surveillance was conducted included violations of: G.L. c. 94C, §§ 32, 32A, 32E, 40; G.L. c. 268, § 1; and G.L. c. 271, § 17.

In 2020, no indictments were issued, and no guilty pleas were entered in cases that involved wiretap evidence. In addition, there were no jury trials that included the presentation of electronic surveillance.

If you have any questions, you can reach me at 617-963-2245.

Yours Truly,

Thomas Caldwell
