

Massachusetts Department of Correction Quarterly Corrections Data

Calendar Year 2024
Quarter 2

Executive Office of Public Safety and Security
November 2024

Maura T. Healey, Governor
Terrence M. Reidy, Secretary of Public Safety and Security

Below is a quick reference of which populations to count/include by spreadsheet.

Admissions:

Pre-Trial/Detainees - Includes those awaiting trial, US Marshal detainees, incarcerated individuals held on bail, bail violators, those on hold for other jurisdictions, fugitives from justice, those who have failed to pay costs or fines, pre-arraignment detainees.

Criminally Sentenced - Includes new court commitments (commitment from court, from and after sentence, split sentence) and re-admissions (parole violators, probation violators, transfers, return from escape, re-admit from court release).

Releases:

Pre-Trial/Detainees - Includes those awaiting trial, US Marshal detainees, incarcerated individuals held on bail, bail violators, those on hold for other jurisdictions, fugitives from justice, those who have failed to pay costs or fines, pre-arraignment detainees.

Criminally Sentenced - Includes new court commitments (commitment from court, from and after sentence, split sentence) and re-admissions (parole violators, probation violators, transfers, return from escape, re-admit from court release).

Caseload Snapshot:

Pre-Arraignment - Includes incarcerated individuals housed in a State or County facility prior to being arraigned, including "regional lock-up".

Pre-Trial/Detainees – Includes those awaiting trial, US Marshal detainees, incarcerated individuals held on bail, bail violators, those on hold for other jurisdictions, fugitives from justice, those who have failed to pay costs or fines, pre-arraignment detainees.

Criminally Sentenced - Includes new court commitments (commitment from court, from and after sentence, split sentence) and re-admissions (parole violators, probation violators, transfers, return from escape, re-admit from court release).

Recidivism:

New Commitments - Includes criminally sentenced individuals committed by the courts to State or County Corrections as a result of a criminal offense.

Violations - Includes individuals re-admitted as a result of a violation of probation or parole returning to a State or County prison, including technical violations. Technical violations are not necessarily the result of administrative conditions of parole and could include uncharged criminal conduct or conduct that is under criminal investigation.

Total "Classification"	3	45	417	4,119	1,086	^[1] 5,670
-------------------------------	----------	-----------	------------	--------------	--------------	-----------------------------

Counting Rules (who to include):
* Community Supervision includes individuals under the jurisdiction of the county who do not currently reside in any correctional facility (do not occupy a bed). This may include electronic monitoring, dayreporting and/or halfway houses.
** Include pre-arraignment individuals when reporting pre-trial figure.
*** Federal and Out of State may include incarcerated individuals who are pre-trial or sentenced.

[1] The MA DOC also houses civil commitments. As of 06/30/2024, there were 0 civilly committed males held in a maximum facility, 349 civilly committed males in medium facilities, and 65 civilly committed males in a minimum facility. There were 12 civilly committed females held in a medium facility. The total custody population including all civil commitments is 6,096.

Custody (Caseload) Snapshot as of 06/30/2024

		State(MA DOC)	142
		Federal	0
		Out of State	2
		Subtotal	156
		Total Females	202
Total Custody Population			[1] 5,670

Counting Rules (who to include):
* Includes incarcerated individuals housed in a State or County facility prior to being arraigned, including "regional lock-up".
** Includes awaiting trial, US Marshal detainees, incarcerated individuals held on bail, bail violators, hold for other jurisdiction, fugitive from justice, failure to pay costs/fine, pre-arrestment.
*** Includes new court commitments (commitment from court, from and after sentence, split sentence) and re-admissions (parole violators, probation violators, transfers, return from escape, re-admit from court release).

[1] The MA DOC also houses civil commitments. As of 06/30/2024, there were 414 male civil commitments in four facilities and 12 females all at MCI-Framingham. The total custody population including all civil commitments is 6,096.

Recidivism

Source: MA Department of Correction CY: 2019

	Commitment Type*	Admission Type	1st Year	2nd Year	3rd Year	Total 3 Year Period***
Males	Criminally Sentenced					
		New Commitments*	7%	7%	6%	19%
		Violations**	7%	1%	<1%	8%
		Total Males	13%	7%	6%	26%
Females	Criminally Sentenced					
		New Commitments*	5%	2%	5%	12%
		Violations**	9%	1%	0%	10%
		Total Females	14%	4%	5%	23%
Total			14%	7%	6%	26%

*National Standard for Recidivism is for criminally sentenced populations.

*The total recidivism rate for the 2019 release cohort was 26%, based on 1,947 releases to the community.

Counting Rules (who to include):
* Includes incarcerated individuals committed by the courts to State or County Corrections as a result of a criminal offense.
** Includes incarcerated individuals re-admitted as a result of a violation of probation or parole, returning to a State or County facility, including those with a technical violation.
*** Due to rounding the yearly recidivism rates may not equal the total rate.
