

The Massachusetts District Attorneys Association, with assistance from the District Attorneys, reports to the House and Senate Clerks and the Chairs of the Joint Committee on the Judiciary the following information pertaining to M.G.L. c. 272, § 29D:

Number of cases referred under § 29D	91
Number of arraignments for alleged violations of § 29D	16
Number arraigned over the CW's objection	0
Number of cases where no action was taken	5
Number of cases where the alleged offender was directed to the AGO's diversion program	8
Number of cases where DAO objected to referral to the AGO's diversion program	4
The number of those cases involving additional charge(s)	2
Number of cases where court proceeded with AGO's diversion program over the DAO's objection	4
Number of arraignments conducted after the alleged offender failed to complete the AGO's diversion program	0

Pursuant to M.G.L. c. 272, § 29D, the District Attorneys are to report, to the extent feasible, the age, gender identity and race of each person diverted or arraigned. However, due to differences in the information reported by the District Attorneys, this report also includes ethnicity and gender categories. Additionally, it appears that these categories were reported by some District Attorneys for persons *referred* for § 29D review (rather than only those diverted or arraigned).
