* Based on the data pulled on 1/2/2026.

** Some facilities changed owners during SFY25 and may thus be listed more than once, under different names.

***As the total in the last column (29,329) represents an unduplicated count of MassHealth members, it is less than the sum of unduplicated counts for each facility (32,980).

This is due to the fact that some MassHealth members transferred from one facility to another during SFY25.
