Dear Chairs Rodrigues and Michlewitz,

Chapter 9 of the Acts of 2025, line item 4000-0500 requires that the Office of Medicaid report on the outcomes achieved by Accountable Care Organizations (ACOs) and Community Partners on financial performance, quality of care, reductions in spend per member, progress towards integrated care, and cost effectiveness of Flexible Services to address health-related social needs. Please see attached a report on these items.

I hope you find the attached materials useful and informative. Please feel free to contact Sarah Nordberg at Sarah.Nordberg@mass.gov if you have any questions.

Sincerely,
