Dear Members of the Legislature,

On behalf of the Honorable James T. Brett, Chairperson, and Nancy A. Alterio, Executive Director, Commission for the Protection of Persons with Disabilities (CPPD) attached please find a copy of CPPD's FY2026 Quarterly Report (Q3) for the period of January to March 2026.

Each year CPPD receives thousands of reports of abuse and hundreds of reports of crimes committed against persons with disabilities through a 24-hour Hotline. All reports are maintained and tracked using an extensive computer database. The information in the CPPD database involves persons with various disabilities living throughout the Commonwealth. On a quarterly basis, a portion of the data is calculated and provided for review.

We hope you find the attached report useful, informative, and helpful in understanding the role of CPPD. We thank you for all your past support and look forward to continuing our work together addressing abuse committed against persons with disabilities.
