Re: Plan of Correction - Northeastern Correctional Center, Concord

Dear Superintendent Rodrigues:

The Massachusetts Department of Public Health, Community Sanitation Program (CSP) has received your Plan of Correction in response to my inspection on September 30, 2019. After review, the CSP finds the plan appropriately addresses all of the violations noted in the report with the following exceptions:

1. Please indicate if the dishwasher temperature test strips were purchased and available for use in the Culinary Kitchen.
2. Your Plan of Correction is missing a date of compliance for several violations starting with the weight room in the Recreational Center, Farm Service Garage, Program Building, and Cow Barn. Please provide an anticipated date of repair for the violations noted in these areas.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

Amy Riordan, MPH
