Re: Plan of Correction – Bridgewater Complex Food Service, Bridgewater

Dear Mr. Gendreau:

The Massachusetts Department of Public Health, Community Sanitation Program (CSP) has received your Plan of Correction (POC) in response to my inspection on December 11, 2019. After review, the CSP finds the plan appropriately addresses all of the violations noted in the report with the following exception:

1. While the CSP appreciates the financial limitations of correctional facilities, the time frame to correct the damaged floors throughout the facility appears excessive. The CSP would like these violations corrected within a shorter time frame.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

Patrick Wallace
 Environmental Health Inspector, CSP, BEH
