Re: Facility Inspection – MCI Framingham

Dear Superintendent Ladouceur:

The Massachusetts Department of Public Health, Community Sanitation Program (CSP) has received your Plan of Correction in response to my inspection on January 30 and 31, 2020. After review, the CSP finds the plan appropriately addresses all of the violations noted in the report with the following exceptions:

1. Please provide the date the microwave oven was cleaned in the Officer's Room # A110. The Plan of Correction submitted stated that it was cleaned on January 31, 2019.
2. The corrective action for the 2nd Floor HSU Building Shower temperature was stated to now be at 124°F . This temperature is not in compliance as shower temperatures should be set between 100-112°F.

Thank you for your prompt attention to this matter, should you have any questions please contact me at the address listed above.

Sincerely,

Amy Medeiros
