

# Co-ordination and Support Actions (CSAs) in FP7 ICT Call 10 Deadline of 15 January 2013

## **IT skills for healthcare workforce: (€200K)**

To promote the development of renewed educational material and programmes in the EU and USA, with the aim of improving the IT skills of healthcare workers and facilitating the implementation of eHealth systems in practice.

## **Interoperability of patient summary between EU and US: (€200K)**

To compare specifications of EU and US patient summaries with the aim of developing and testing common and consistent specifications and systems allowing the interoperability of electronic health records across the Atlantic.

## **Interoperability: (400K€)**

To explore new ideas to accelerate or improve the international standardisation in the domain of eHealth and to propose a realistic roadmap to implement the recommended measures, taking into account the importance to have a convergent EU-US approach.
