RE: House of Representatives Fiscal Year 2024 Audit

Dear Chris,

I write regarding the Fiscal Year 2024 audit of the House of Representatives.

To ensure the audit process proceeds efficiently, could you please confirm whether you have received all documents and information requested to date for the purposes of completing the audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) and the Government Auditing Standards (GAGAS), issued by the Comptroller General of the United States.

If there are any outstanding items, additional documents, or follow-up materials needed from our office, please let me know and we will provide them promptly.

We appreciate the successful working relationship between our offices and look forward to receiving the final report for FY24 and the engagement of the FY25 audit.

Sincerely,

A handwritten signature in black ink, appearing to read "CMG".
